

GLANKLER EARLY LEARNING CENTER

September, 2023

Hello Glankler and Rix-Glankler Families!

We are already beginning our sixth week of the 2023-24 school year! The children appear to be settling in and learning the daily routines in a preschool classroom. We would like to continue to stress the importance of consistent attendance. By arriving on time each day, children learn the morning routines more quickly. Being at school every day allows our teachers and support staff to consistently focus on teaching and modeling the skills that your child needs to be successful in a school setting.

On a similar note, we would like to remind parents and guardians that absences are considered "excused" for the following reasons only:

- Student's personal illness
- Quarantine under the direction of a county or city health officer
- Parent initiated isolation related to COVID-19
- Medical, dental, optometric, or chiropractic appointment for child
- Attending funeral services of an immediate family member
- For justifiable personal reasons, such as appearance in court, observance of a holiday or religious ceremony
- For purposes of spending time with an immediate member of the family who is an active-duty member of the uniformed services

Absence Reporting

To report your child's absence at any time, please call your child's school of attendance, Glankler or Rix-Glankler, and press "7" to leave a message for the attendance clerk.

Parking Lot Safety

For the safety of all of our students and families, we would like to remind you that both of our parking lots are "**one-way**" **only**. Also, the lane nearest to the school building is reserved for school buses, or District vans, that are picking up or dropping off students. Please be mindful that our students are short and cannot be seen between buses or even cars. Proceed slowly and with extra caution when in our parking lots. Also, please do not walk with your child between the buses or vans at any time.

Please be aware that any changes in your child's drop-off or pick-up locations or times, due to parent requests, a change of residence, a change in type or location of special day class program, all may result in a delay, or lapse, in services of up to ten days while Transportation reroutes your child.

Spirit Week and Fall Festival - October

This month our students will be listening to the story [Oink, Moo, How Do You Do?](#) by Grace Maccarone. They will be learning about farm animals, the sounds they make, and farms in general. At the end of the month, we will be recreating pumpkin patches at both school sites, and our students will have an opportunity to select and bring home a pumpkin. We will also be holding our Fall Spirit Week towards the end of this month. We will have a different theme each day, and we would love to see all the children participate in the festivities. Please click [here](#) to view the Fall Spirit Week Flyer.

School Lunches

School lunches are available free of charge for all students this year. Daily meat and vegetarian options are available. Although these meals will be available at no cost, parents are asked to complete the following application: [Free Meal Application](#) to help to ensure adequate funding for FUSD's Child Nutrition Services Department.

Again, we are hoping you can join us this Wednesday evening for Parent Education Night!!!
