Principal's Message:

Dear Grimmer Bear Families,

It is very hard to believe that we have entered the last month of the school year! We still have a lot of learning to do, and district & state standardized testing has not ended. It is very important to have these summative assessments to judge how well the students learned priority standards and how well prepared they are for next year. It also guides instruction for the Fall trimester. Please make sure that your children are present every day, well rested, and arriving at school on time.

In the same way, we have a lot of end of the school year events and celebrations planned. These events have been well planned with the help of our students. Please see flyers that are sent home and emails with more information.

We are so grateful that our 5th graders had a wonderful time at Science Camp. They returned home on Wednesday visibly tired, but very happy. Thank you to families, teachers and staff who made this possible for our students! It truly is something that the students will remember for a lifetime.

Please see a flier in your folder (virtual folder) today about Teacher & Staff Appreciation Week, which is next week - May 6 to May 10! A little token from your children each day for their teacher and a staff member will really make a difference to our teachers and staff who work so hard every day to provide a quality education for your children. Please have them follow the themes for each day ... a little note or flower from your garden will mean so much!

This Tuesday, May 7th, is our annual Open House and Art Museum. Please come see all that your children have been working on this year. They are so excited to share their work with you! Looking forward to seeing you there!

As the weather gets warmer, please remember that we have a dress code in FUSD. See the [Parent/Guardian and Student Handbook](#) page 25 & 26. Parents will be called if the dress code is violated.

All the Best!

Judy Nye, Principal

Our PTA has organized a week of activities to show our staff

some appreciation. Please refer to the PTA flier for daily details on how your student can participate.

Lost and Found Items

Please, please, please check the Lost and Found racks while you are visiting campus for Open House.

The Lost and Found benches & racks are located in the Main Hallway near the front entrance. All unclaimed items, at the end of the year, will be donated to a community agency.

PICKING UP STUDENT MEDICATIONS.

ALL medications and medical supplies MUST be picked up from the school office on the last day of school! Only a parent/guardian may pickup medications, unless your student is authorized (current contract on file) to self-carry his/her medication.

If your student is attending summer school the medication (to include the doctor's order) must be picked up from your current school on the last day of school. Then it be taken to the summer school site on the first day of summer school by the parent/guardian.

**5th Grade Promotion
