### **Aeries Parent Portal & 2024-25 MAZE Process**

Fremont Unified will transition from Infinite Campus to Aeries as our student information system for the 2024-25 school year. In July 2024, parents and guardians of students enrolled for 2024-25 will receive information to activate their Aeries Parent Portal, and will use the Portal to complete the annual MAZE process, called “Parent Data Confirmation” in Aeries.

MAZE is Fremont Unified School District’s annual data confirmation process in which parents/guardians:

- provide required information for each enrolled student – such as emergency contacts,
- acknowledge certain parent/guardian and student rights and responsibilities, and
- access specific school forms/information.

Completing the MAZE process ensures your student's school has accurate information, and allows families to view student schedules/classroom assignments and their teachers when that information is released in August.

Please look out for additional information about activating your Aeries Parent Portal and completing the MAZE process in the coming months.
