## Principal's Message:

Welcome to a new and exciting school year at Grimmer Elementary!

As we embark on this journey together, for those returning I want to express my heartfelt gratitude for the continued support and dedication you show to our school. Your involvement and enthusiasm are crucial in creating a vibrant and enriching environment for our students. For those who are new to Grimmer Elementary, I look forward to welcoming them! What you will learn about Grimmer rather quickly is that Grimmer is a special place because it is filled with amazing people.

This year, our committed staff is eager to build upon the successes of the past and work collaboratively with you to ensure every student reaches their full potential.

We believe that education is a partnership between the school and the community, and we are always here to listen and collaborate. Please feel free to reach out with any questions, ideas, or concerns.

Let's work together to make this year a memorable and successful one for all. Here's to a year full of learning, growth, and achievement! Warm regards,
