## ***Principal's Message:***

Dear Grimmer Community,

As spring blooms around us, it's a reminder of the growth and renewal that this season brings—and it's no different here at Grimmer. With the final 2 months of the school year ahead, we are excited to reflect on the achievements of our students, staff, and families while looking forward to a strong finish.

April is a busy month filled with learning, creativity, and connection. Whether it's preparing for assessments, participating in spring sports, attending Parent Cafe, the Talent Show, STEAM night, Picture day, or arts blocks, our students continue to amaze us with their dedication, talent, and resilience.

This month, we also want to highlight the importance of well-being. The spring can be a time of both excitement and stress as schedules fill up. Let's encourage our students to maintain a healthy balance between academics, extracurriculars, and self-care. Small moments of rest, exercise, and connection can go a long way.

I invite you to stay engaged with the many upcoming activities at Grimmer. As always, my door is open. If you have any questions, ideas, or feedback, please don't hesitate to reach out. Let's make these final months of the school year some of the best yet.

Thank you for being part of our Grimmer family!

Matt Kaufman,  
Kaufman  
Principal, Grimmer Elementary
