

JOHN F. KENNEDY HIGH SCHOOL

39999 Blacow Road • Fremont, California • 510-657-4070 • 510-438-9287 Fax

Welcome to the 2024-2025 School Year,

Every year, it is required that anyone participating in athletics registers through athleticclearance.com. For those who have participated before, they will use their existing account for login. If you are new to John F. Kennedy High School, you will have to create a new account prior to entering the required information. Please ensure that all required signature pages, student information and physical information is filled out completely prior to submission. We do ask for each sport a student participates in for a \$100 donation to the Kennedy Athletic Department. You can pay this donation on the athletic clearance website or turn in person to Dave Domelle or Paul McDermott. If you have any questions, you can always contact Paul McDermott, pmcdermott@fusdk12.net or Dave Domelle, ddomelle@fusdk12.net. On the John F. Kennedy High School website under athletics, there are also instructions on how to complete this requirement. Below are the dates for when paperwork is required for participation in the different sport seasons:

For Fall Sports- Friday August 23, 2024

For Winter Sports- Friday November 15, 2024

For Spring Sports- Friday February 21, 2025

If you have any questions, please ask for assistance

Thanks

Kennedy Athletic Department
