## John F. Kennedy High School - Athletic Department

Welcome to the 2025-26 School Year,

Each year it is required that anyone participating in athletics must register through [athleticclearance.com](http://athleticclearance.com)

For those students who have participated in prior years, you will use your existing account for login.

For new participants, you **MUST** create a new account prior to entering the required information.

Please ensure that all required signature pages, student information and physical information are completed prior to submission.

On the John F. Kennedy High School website (under athletics) there are instructions on how to complete the clearance process.
