

# Native American Museum

The Native American Studies Program is offering educational tours as an enjoyable learning experience about the various First Nations and Native Peoples of North America.

While observing artifacts organized according to cultural area, students will learn about hunting methods, food, housing, transportation and living conditions of the indigenous

peoples of this nation.

- Food
- Shelter
- Clothing
- Transportation
- Hunting Methods
- Ceremony
- Trade
- Tradition

A visit to our museum is a fun way to enrich any curriculum when studying Native Americans. Our tours may also include a craft class and storytelling.  
\$5.00 donation per student
