I. Meeting Called to Order at 3:30 pm

Minutes from the last SSC meeting on 02/18/2020 were approved.

II. Revision of Bylaws in response to COVID-19

- A. SSC voted to approve revision to bylaws allowing SSC meetings to be conducted virtually when necessary.

III. Intervention Funds

- A. Intervention funding for the remainder of the 2019-2020 school year (\$2,277.33) were discussed since the Shelter in Place has impacted the current plan for those funds.

Ideas for spending those funds now include:

- a. Asking staff what virtual sites, subscriptions or apps may be helpful to students, especially students who are ELs to complete the end of the school year.
 - b. SSC voted to adjust the use/plans for those funds to support materials and instructional needs during the current COVID-19 Shelter in Place.
- B. We are currently in year 2 of 3 of the Low Performing Block Grant (about \$8,000), which will roll over into next year, thus those funds will remain intact.

IV. Single Plan for Student Achievement (SPSA) Planning for 2020-2021

- A. All academic state testing for the current school year now paused until next school year.
- B. First draft of SPSA goal planning for 2020-2021 due at the end of April. SSC will review the goals via email and communicate revisions digitally.

V. Current Community Questions
