Checking progress against our school-wide goals to reduce the number of Tier 2 and Tier 3 students by 50%, Principal Wasser gave a presentation on the current status of i-Ready Diagnostic 2. Not all students had completed the exam yet, but preliminary results indicate a modest decrease (-5%) in the number of at-promise students in the assessment area of Reading and larger decrease (-13%) in the number of at-promise students in the assessment area of Math.

V. Intervention Program Update

Ms. Pedersen, Intervention Teacher, gave an informational report on the status of Ardenwood's intervention program.

VI. Mental Health Counseling 2022-2023

Ardenwood continues to benefit from its partnership with the City of Fremont's Youth and Family Services Healthy Choices School Based Counseling Program. At a cost of \$7,500, of site discretionary money, Ardenwood can retain the service of a counseling intern for two days a week for the 2022-2023 school year. Principal Wasser described the role and benefits of having a YFS counselor on site, and asked for the council to give a vote of confidence in the expenditure of this money for the coming school year.

- Principal Wasser motioned to have the SSC of Ardenwood vote in favor of supporting the use of discretionary funds in the next fiscal year to maintain the school's partnership with YFS.
- Sharyn Seconded
- The motion passed by unanimous voice vote.
