Azevada Elementary School

January 29, 2021

Hello everyone!

It is hard to believe that today is the last school day of January and that we will soon be beginning the month of February! I hope that everyone continues to work and play safely as we continue this school year in the distance learning environment.

If your child enjoys making videos and enjoys using a chromebook, please review the information about the opportunity for students to submit videos for the upcoming Niles Rotary Club of Fremont “Spring Fling” virtual fundraising event. Details about this fun opportunity are within this newsletter.

Please also be sure to review this entire newsletter, and future newsletters, for information about many important dates and events (including a fun family event on February 19 that is being planned by our CIPCF parent group in celebration of Lunar New Year!!). Have a wonderful weekend!

Mrs. Carole Diamond
Principal

NILES ROTARY CLUB OF FREMONT “SPRING FLING” (on March 20, 2021):

As another reminder of our exciting news, Azevada will be the recipient of an upcoming fundraiser with The Niles Rotary Club of Fremont! Please consider joining us for this **FREE virtual** fun event!

The Niles Rotary Club of Fremont will host their **FREE** “Spring Fling” virtual fundraising event on **Saturday, March 20, 2021 @ 6:30 - 7:30pm**. The “Spring Fling” fundraiser will have a fun “Laugh In” theme and it will include entertainment, silent auctions, live auctions, and much more!

This fun **FREE virtual** fundraising event will benefit three (3) Fremont elementary schools, and one of those schools is Azevada! The total fundraising goal is \$60,000. The funds raised at this fundraising event will be disbursed between the following three FUSD elementary schools: Azevada, Harvey Green, and Oliveira. Funds raised at this event will be used to purchase new chromebooks for the students at the three schools!

We are very honored that Azevada has been chosen by the Niles Rotary Club of Fremont as one of the three recipients of this fundraising event. To ensure fundraising success, I hope that everyone in the Azevada community will be able to support this amazing effort. Please consider attending this fun **FREE virtual** event. And if you are able, please also consider donating a silent auction item, or sponsoring the event, and/or donating funds. Full details on how you can attend this **FREE virtual** event, and how you can help support this fundraiser, is available at www.fremontspringfling.com.

Thank you very much for helping us support the Niles Rotary Club of Fremont fundraising event. Please feel free to reach out to us if you have any questions about this event!

NILES ROTARY CLUB OF FREMONT "SPRING FLING" - STUDENT VIDEOS REQUESTED:

To support the Niles Rotary Club "Spring Fling" fundraising event, they would like to collect videos of students who are excitedly sharing their thoughts about having more chromebooks to use at school. These videos will be part of a fun "movie" that they will create. It will be played during the event (to help the audience understand how much the chromebook donation will assist our students in school).

If you and your student would like to submit a student video, please review the following information:

- All videos are due (via email) to the Azevada by **Monday, February 22, 2021.**
 - **Parents** should send videos to Azevadaoffice@fusdk12.net
 - FYI = Please be aware that: 1) We will only accept videos sent to us from parents. 2) When we send the videos to the Niles Rotary Club, we will need to share them via Google drive or Dropbox.
- Videos must be no longer than 30 seconds in length.
- Videos must be shot HORIZONTALLY with phone.
- In the video, the student should happily focus on the need for chromebooks. Students can show us how they are using chromebooks now while they are learning at home. Students can describe how the chromebooks help them learn and explore subjects. Students can also happily thank everyone for doing this fundraiser so that Azevada will be able to purchase more chromebooks for the students at Azevada. (Students are encouraged to be creative!)
- Please Note: If a LOT of student videos are received, there is a chance that the Niles Rotary Club will not be able to use all of the videos. As of right now, they are hoping to include all of the student videos submitted.

HOTSPOTS:

As of today, we have received fewer Hotspots (to loan to Azevada families) than we have on our list of families who have indicated a need for a Hotspot (90+ families). As we receive Hotspots from our district office, we are purposely distributing those Hotspots to families whose children have no internet and/or whose children have very limited internet, and therefore, have had many absences from school. We are hoping to continue to receive more Hotspots from the district office in the future. As we receive Hotspots, the school office will contact families (who are on the waitlist). Thank you for your patience!

REMINDER ABOUT CONNECTING TO YOUR ONLINE CLASSES

As a reminder, when your child logs into their online classroom, PE prep classroom, and/or Science prep classroom, they must display their full name (as it shows on our school attendance records). This is very important because this is how the teachers are taking daily school attendance. If the name displayed is not a name on the classroom attendance roster, then the teacher will have to mark the child absent and then will have to remove the person (with the unknown name) from the online classroom. Please assist your child if they are not sure how to display their name correctly.

Also, if you or your child are having difficulty connecting to their online classroom, please be sure to reach out to your classroom teacher and/or the Azevada school office staff @ azevadaoffice@fusdk12.net We will work together to help resolve the issues.

PARENT/GUARDIAN PROTOCOLS DURING DISTANCE LEARNING:

As we continue with our full distance learning model this year, please review these important reminders for our parents/guardians and their families in regard to the legal aspects pertaining to students, teachers, and staff.

Student Confidentiality

- All students have the right to confidentiality, which extends to distance learning.
 - Exception: By law, staff members are mandated reporters and required to report suspected child abuse, as well as safety concerns related to danger of self and to others.
- To the extent possible, all students should remain in a confidential setting while viewing in-classroom teaching.
- [Per Education Code 51512](#), it is illegal to record teachers and/or students. This is a violation of student and staff privacy.
- In-classroom teaching is for the personal use of the student for the sole purpose of distance learning.
- Parents/guardians and family members of early elementary students may support students as they learn how to use online platforms to access learning.
- We ask that parents/guardians who need to communicate with their student's teacher schedule a meeting with the teacher so that the live instructional time can proceed without interruptions. All teachers have identified office hours to support students and families.

Academic Integrity

- FUSD places a high value on academic integrity and honesty. Students are expected to use only the resources and references allowed by their teachers in completing assignments and assessments.
- While collaborative work with other students is often encouraged and acceptable, students must follow teacher directions when told to work independently.
- Students who cheat on assignments or assessments will be penalized.

Student Dress Code and Behavior

- Students should keep to the dress code as they would in a physical classroom, and avoid inappropriate clothes during a live session.
- The District has the right to monitor behavior, identify bullying, and set expectations for good behavior while using these platforms.
- The District may use audio or video recordings when investigating possible inappropriate behavior.

Visiting the School Site

Our school sites are closed to the public but there may be instances when the site administrator will contact you or students to come to the site. In order to follow health and safety guidelines provided by the Alameda County Public Health Department (ACPHD) and California Department of Public Health (CDPH), we ask that all visitors:

- Maintain a social distance of six feet with anyone around you. In addition, we will only allow a maximum of two visitors at a time in all school offices.
- Wear face coverings at all times. Those without a face covering will not be allowed on any school property.
- Limit their movement on campus to the school office only. Visitors, including parents/guardians, are not allowed to enter the school grounds or classrooms.
- Adhere to the drop off/pick up schedules for packets and assignments as determined and communicated by each school site.

Best Practices for Students and Staff during Distance Learning

- With an eye towards these privacy issues, we have put together the following shortlist of best practices when using distance learning platforms:
 - Avoid uploading sensitive, confidential, or personally identifiable information to these platforms whenever possible.
 - Always access these platforms from the same device (e.g., designate one computer for distance learning; do not use multiple computers or devices).
 - Regularly clear your internet history, including your browsing history, cache, and cookies.
 - Do not share your login credentials or meeting links with anyone.
 - Use an advertisement blocking program while accessing these platforms.
