## Azevada Elementary School

August 16, 2021

Hello everyone!

Welcome to the 2021-22 school year! We are very excited for our first day of “in person” school (which is **THIS coming Wednesday, August 18**). As a gentle reminder to our Azevada community, unless students are unable to attend school due to illness, all students are expected to attend the first day of school. (If your child is ill, please remember to call the Azevada school office @ 510 657-3900.)

As we all begin this new school year, I understand that there may be questions. Please be sure to review the “Azevada: New School Year Procedures. Azevada Site Protocols for the Return to School” within this newsletter. Please note that this plan was updated on 8/11/21.. The information within this plan is in alignment with the FUSD COVID Safety Plan and it describes many of the procedures and protocols we will be following as we begin this new school year. Be sure to also refer to the FUSD COVID Safety Plan, which is available on the FUSD District website. (<https://www.fremont.k12.ca.us/covid-safety>) Please be aware that the district and school COVID Safety Plans are subject to change based on local and state guidance.

Thank you in advance for reviewing this and all upcoming distinct and school newsletters as they will include the safety protocols, safety procedures, planned events, and other important documents related to this new school year.

Mrs. Carole Diamond  
Principal

**AZEVADA**  
**NEW SCHOOL YEAR PROCEDURES**  
**Azevada Site Protocols for the Return to School**  
 (Revised 8/11/21)

**OFFICE AND VOLUNTEER PROTOCOLS:**

- The Azevada Office will open to the public on August 10, 2021.
  - Although open, we will enact a revised policy in an effort to reduce the number of social interactions due to Covid-19 safety protocols.
- In adherence to the FUSD Covid-19 safety protocols, all students, visitors, and school site employees will wear appropriate face coverings (masks) while on the school campus.
- Other than the school office area, at this time and in adherence to the FUSD Covid-10 safety protocols, visitors and volunteers will not be allowed inside any school buildings until further notice.

**Before School (while at home) Procedures:**

**BEFORE LEAVING HOME TO COME TO SCHOOL:**

- FUSD has implemented the following protocols (subject to change based on local and state guidance):
  - Students (with the assistance of their parents/guardians) will complete a home based screening [Daily COVID-19 Health Screening](#) each day, prior to entering the school, or being transported via FUSD busing services. The home based screener will be provided to families prior to the start of the instructional year.
  - If “yes” is answered to any of the screener questions, please DO NOT report to school and please contact your medical professional as needed.
  - If a student must be quarantined, the parent/guardian will contact the school office to arrange for school work and/or homework. Every attempt will be made to provide school work/homework using online resources.
- Parents/guardians and staff will notify school administration immediately if the student or staff tested positive for COVID-19 or if one of the household members or non-household close contacts tested positive for COVID-19.
- Parents/guardians should assist students to ensure they have their school materials and a face covering (face mask).
- Reminder: Every adult and student must wear a face covering while on campus @ Azevada. (Please note: Face coverings should be worn properly. Face coverings must cover both the mouth and nose. It must fit snugly against the side of the face.)

**Before the School Day / Student Drop-off Procedures:**

**PARKING @ AZEVADA:**

- All families of students in grades K-6 will need to park off campus. The reason for this is because we have more full time staff members at Azevada than we have parking spaces in our parking lots.
- We ask that all families kindly park off campus so that staff members can more easily move their materials to their classrooms.
- To help limit the number of people on campus before school, we ask that ONE family member walk their grade K-6 students onto the Azevada campus grounds.
