

Azevada “Morning Chat” Agenda

Friday, February 24, 2023

9:15 – 10:15 a.m.

1. UPDATES FROM MRS. DIAMOND:

● Questions submitted via the online “LunchTime Chat” document:

- Question #1 = *I would like to volunteer in my son’s classroom. Could you go over the process?*
 - Answer #1 = To volunteer in your child’s classroom, please contact your child’s teacher directly. Your child’s teacher will work with you to create your volunteer schedule. Once those arrangements are done, on the days that you volunteer, you will need to come to the Azevada school office to sign in, and then you will go to your child’s classroom.
- Question #2 = *If I don’t find the month’s newsletters on the school website, would I get a physical copy at the office?*
 - Answer #2 = Yes, we send out the school newsletter via Bright Arrow. We also attach it to the Azevada website. Please note that we have not sent out a newsletter since December. The next newsletter will likely be published next week.

2. ADDITIONAL UPDATES & REMINDERS:

Residence Verification - Happening Now!

Residency Verification postcards are being mailed out this Friday. Please bring your residency verification documents to the Azevada office as soon as possible. Residency verification documents must be received at the Azevada office by February 24, 2023.

2023-24 Enrollment Updates:

Enrollment is happening NOW for all Transitional Kindergarten (TK) students, and Kindergarten (K) students, and siblings who will be coming to school next year. Please be sure to review the important enrollment information on our district website.

Healthy Classroom Celebrations @ Azevada:

The holiday season is approaching and we would like to remind our Azevada community that Azevada continues to be committed to promoting healthy lifestyles. In regard to classroom celebrations, we strongly encourage fun celebrations that include arts and crafts. If a classroom teacher plans a classroom celebration that includes food, we encourage only "healthy food items," such as fruit, vegetables, cheese, yogurt, pretzels, etc. that contain NO PEANUTS or NUTS of any type. There are many students in our school who have allergy and/or health concerns that restrict the types of foods they can consume. By making healthy food choices, we are able to include more of our students in our celebrations.

Healthy Birthday Celebrations @ Azevada:

We understand that when students have birthdays during the school year, families enjoy helping their children celebrate at school. If parents choose to send birthday goodie bags to school (for their child's classmates), please be aware of the following guidelines:

- Due to student allergies, we strongly discourage parents from sending any food, cupcake, cookie, or candy items in or with the goodie bags.
- We encourage parents to send fun items such as small stickers, pencils, puzzles, etc. in the goodie bags.
- If goodie bags are sent to school, they will be passed out (by the birthday student or the teacher) at the END of the school day.
- Parents are not expected to send goodie bags to school to celebrate their child's birthday. This is an optional activity for families!
