Hello Azevada families!

Welcome back to school! I hope that everyone had an enjoyable and relaxing Winter break vacation with families and friends.

We have many exciting events happening during the month of January here at Azevada. Please be sure to review the January calendar that is included in this newsletter. Also, please be sure to review the information about the "FEF Coding and Maker Workshop Family Night" event. This is a fun new event for our Azevada families but pre-registration is required. (The registration information is included within this newsletter.)

Child Nutrition Services welcomes you all to a new school year! If you have any questions or concerns, please feel free to contact us. You can reach us a few ways: Call **510-659-2587**, visit our website at www.fusdcafes.org or come into our office at **4210 Technology Drive, Room 140**

ATTENDANCE

Nothing can replace classroom time. However, from time to time we realize that your child must miss class for illness and medical/dental appointments. If your child is going to be absent from school, please call:

(510) 657-3900, Extension 7

For absences please provide:

- Student's First & Last
- Name (*please spell*)
- Reason for absence
- Student's room and/or teacher
- Your name and relation to student

When your child is late for school they **MUST** sign in at the office and obtain a tardy slip. If your child is out due to a medical/dental appointment, please bring in a doctor's note so the tardy may be excused.

SUMMATIVE ELPAC

The Summative English Language Proficiency Assessments for California, or "Summative ELPAC," is the test used to measure how well students understand English when it is not the language they speak at home. Information from the ELPAC tells your child's teacher about the areas in which your child needs extra support.

This spring, your child will take the Summative ELPAC.

Students in kindergarten through grade twelve who are classified as English learners will take the Summative ELPAC every year until they are reclassified as proficient in English. Students are tested on their skills in listening, speaking, reading, and writing. Your child's voice is being recorded as part of the Speaking test. A small percentage of student responses will be used to validate the accuracy of scoring and will not be used for identification. All recorded responses will be destroyed after the scores are validated.

You are an important part of your child's education. To help your child get ready for the test, you can:

- Read to your child, or have them read to you on a regular basis.
- Use pictures and ask your child to tell you what they see, or what is happening in each picture.
- Provide your child with opportunities to use language outside of school.
- Talk with your child's teacher about your child's listening, speaking, reading and writing skills to help support their progress.

To learn more about the ELPAC, go to the California Department of Education Parent Guides to Understanding Web page at <https://www.cde.ca.gov/ta/tg/ca/parentguidetounderstand.asp>.

You also can look at sample test questions on the practice tests, which can be found on the ELPAC Web site at <https://www.elpac.org/resources/practicetests/>.

If you have any questions about your child taking the ELPAC, please contact
