Principal's Message:

Hello Azevada families:

November is here and that means that we are quickly nearing the end of our first report card period (Trimester 1). This also means that Parent Teacher Conferences are also quickly approaching. Parent Teacher Conferences are an important opportunity for parents to sit with their child's teachers and learn how their children are doing at school. This is also a great opportunity for parents to learn more about our brand new Standards Based Report Cards. Please be sure to contact your child's teachers to schedule your Parent Teacher Conference.

A BIG THANK YOU to everyone who came out to Azevada last week to enjoy the fun of our annual Fall Festival. This was a very well attended event and we are very appreciative of all of the Azevada families who came out to support our teachers.

Please be sure to review this entire newsletter for important information about upcoming events, minimum days, and school holidays!

GATE Information 2019-2020

Fremont Unified School District (FUSD) provides support for gifted and talented (GATE) students through differentiated instruction. We believe that differentiated instruction not only serves the needs of our exceptional students, but also enhances the entire educational program for all students.

GATE testing for 3rd grade students

All 3rd grade students will have the opportunity to be tested for GATE. The window for GATE testing is January 27, 2020 - February 14, 2020. Each school will schedule administration of the testing within this window.

The testing process is automatic and does not require parents of 3rd grade students to opt in. Any student whose parent does **not** want their child to participate in testing [must submit an opt-out form](#) to the Assessment and Accountability Department, 4210 Technology Drive, Room 280, Fremont, California 94538, **no later than December 13, 2019**. Requests submitted after the deadline will **not** be accepted.

GATE testing for 4th and 5th grade students

Students in 4th or 5th grade who have **not** taken the GATE assessment at FUSD have the option to take the GATE assessment. These might be students who are new to the district or who were opted out of GATE testing in 3rd grade. If your 4th or 5th grade child is eligible for GATE testing this year and you would like them to be included in this test, please submit an [opt-in](#) form to the Assessment and Accountability Department **by December 13, 2019**. 5th grade is the last opportunity for students to be assessed with the GATE test.

The window for GATE testing is January 27, 2020 - February 14, 2020. Each school will schedule administration of the testing within this window.

GATE identification for 5th and 6th grade students

Students in 5th or 6th grade who *were not identified* in an earlier grade may be considered for GATE identification through the professional judgement process. [Teachers](#) and/or [parents](#) may nominate students. A completed nomination form must be submitted to the school Principal **by December 13, 2019**. Additional information and forms are available in the student's school office and may also be downloaded from the [FUSD website](#).
