

## Azevada “Morning Chat” Agenda

Friday, January 27, 2023

9:15 – 10:15 a.m.

### 1. UPDATES FROM MRS. DIAMOND:

- **Questions submitted via the online “LunchTime Chat” document:**
  - **Question #1:** How can we as a parent know what’s been taught every day? This is useful to get contexts of the homework.
  - **Answer #1:** Please be sure to reach out to your child’s teacher, as your child’s teacher can easily share what has been taught during the day and/or during the week. Also, while not all classroom teachers send out a weekly or monthly newsletter, if they do, this is a great place to see the course of study. And finally, all teachers adhere to teaching the California Common Core Standards. These are easily available online, and while they will not give you information about daily lessons, they will show you exactly what your child will be learning during that school year. ### 2. ADDITIONAL UPDATES & REMINDERS:

#### Residence Verification - Happening Now!

Residency Verification postcards are being mailed out this Friday. Please bring your residency verification documents to the Azevada office as soon as possible. Residency verification documents must be received at the Azevada office by February 24, 2023.

#### 2023-24 Enrollment Updates:

Enrollment is happening NOW for all Transitional Kindergarten (TK) students, and Kindergarten (K) students, and siblings who will be coming to school next year. Please be sure to review the important enrollment information on our district website.

#### Healthy Classroom Celebrations @ Azevada:

The holiday season is approaching and we would like to remind our Azevada community that Azevada continues to be committed to promoting healthy lifestyles. In regard to classroom celebrations, we strongly encourage fun celebrations that include arts and crafts. If a classroom teacher plans a classroom celebration that includes food, we encourage only "healthy food items," such as fruit, vegetables, cheese, yogurt, pretzels, etc. that contain NO PEANUTS or NUTS of any type. There are many students in our school who have allergy and/or health concerns that restrict the types of foods they can consume. By making healthy food choices, we are able to include more of our students in our celebrations.

#### Healthy Birthday Celebrations @ Azevada:

We understand that when students have birthdays during the school year, families enjoy helping their children celebrate at school. If parents choose to send birthday goodie bags to school (for their child's classmates), please be aware of the following guidelines:

- Due to student allergies, we strongly discourage parents from sending any food, cupcake, cookie, or candy items in or with the goodie bags.
- We encourage parents to send fun items such as small stickers, pencils, puzzles, etc. in the goodie bags.
- If goodie bags are sent to school, they will be passed out (by the birthday student or the teacher) at the END of the school day.
- Parents are not expected to send goodie bags to school to celebrate their child's birthday. This is an optional activity for families!
