## CALENDAR

Hello Azevada All Stars:

Welcome back to a brand new school year! We are beginning this school year in the Distance Learning format and we are all very excited to (virtually!) see all of our students and parents soon.

As we move towards our first day of school (August 26), there will be many socially distant and online events for our Azevada community to learn more about this school year. Please be sure to review this entire first newsletter for information on all of these important events!

I'm looking forward to "seeing" you (virtually) soon!

Mrs. Carole Diamond  
Principal

**Aug. 12** - FUSD online Maze Day opens

**Aug. 17** - Parents who have completed Maze Day can go online to their Parent Portal to view the name of the child's teacher.

**Aug. 17 - 19** - Azevada School Materials Distribution @ 9:00am - 2:00pm. (Please check the enclosed letter and chart as many teachers are distributing materials on a different date.

**Aug. 17 - 19** - Chromebook and Hotspot Checkout @ 9:00am - 2:00pm. (Parents who need to borrow a Chromebook from Azevada can come to school to check one out on a first come, first served basis. Please understand that we have a very limited supply! If we have not received Hotspots, we will take your name and notify parents when we receive the Hotspots from the district office.)

**Aug. 21** - Parents will receive detailed email communication from their child's teacher about this coming school year.

**Aug. 24** - All parents and students will attend an important "online access verification meeting" with their child's teacher.

**Aug. 26** - First Day of School (virtually)!

**Sept. 7** - Labor Day Holiday! No School for students!

## **WE WANT YOU!**

### **Parent/Guardian Volunteers Needed**

#### SSC: School Site Council

The purpose of School Site Council (SSC) is to oversee the school programs that include the curriculum and best instructional practices. SSC is made up of the principal, parents and teachers, and ensures that the needs of every student is met. The SSC monitors the Single Plan for Student Achievement (SPSA) Plan (see below). This group also oversees the spending of certain funds provided through LCAP (see below). SSC is made up of an equal number of parents and staff members and represents the community.

#### ELAC: English Learner Advisory Committee

The purpose of the ELAC is to advocate for student English Learners and to advise the principal and school staff on programs and services for English learners as well as the School Site Council on the development of the SPSA.

ELAC reviews the school's program for English learners, including the school's needs assessment, reviewing the school's annual language census, and makes efforts to increase parents' awareness of the importance of regular school attendance. The committee may elect at least one member to the District English Learner Advisory Committee.

*All SSC and ELAC/DLAC meetings are open to the public. Meetings will be held via Zoom. An agenda for each meeting will be posted online at least 72 hours before the meeting date. Contact the office for information on how to be a part of any of these meetings. More information will be shared soon.*

#### LCAP: Local Control Accountability Plan

This is the plan developed to ensure continuous improvement of our school. We write the school plan and ensure that it is aligned with the district's visions and goals. It is rewritten yearly to reflect the needs of our current students. It is available on the district website.

#### SPSA: Single Plan for Student Achievement

This plan is developed to make sure there is ongoing improvement of our school. The plan is written specifically for Azevada on an annual basis to reflect the needs of all of our current students. It is available on the district website.

August 2020

Hello everyone!

Welcome back to a new school year! While we will begin this year using the online Distance Learning format, the teachers and I are all very excited to begin this new school year! We are especially excited to “see” all of our students and parents very soon (virtually)!

Parents will soon start receiving important information from our school site and their children’s individual teachers. On Friday, August 21, be sure to be on the lookout for detailed communication about this new school year from your child’s teacher. Within this communication, you will also receive information about an important “online access verification meeting” that all students will have with their teacher on Monday, August 24. And then, we will excitedly begin the first day of school on Wednesday, August 26!

Maze Day began on August 12, 2020. If you haven’t already completed Maze Day for your child, please be sure to log on to the online Parent Portal as soon as possible. Once you have completed the Maze Day process, and beginning on Monday, August 17, parents will be able to log into their online Parent Portal to see the name of their child’s classroom teacher. (Parents will need this information for our School Materials Distribution process, as described below.)

Our School Materials Distribution process will begin at Azevada on Monday, August 17, 2020. We will also begin to check out Chromebooks and Hotspots (for parents who need to borrow them from the school) on this date.

As we did last year in June, we will once again do a drive-by process. We will also have many safety protocols in place, to protect all participants, parents, students, and staff members. When parents come to Azevada to participate in our School Materials Distribution process, we ask that parents drive into the large, valet side of our parking lot. Parents will stay in their car, and all persons in the car must wear a mask. During our School Materials Distribution process, we will ask parents to stay in their car and then proceed through three stations as described below (where volunteers will assist you):

- **Station #1** = We will ask you to write your child’s/children’s name(s) and grade level(s) on a piece of paper.
- **Station #2** = Parents will show that piece of paper (with the child’s name and grade level) to the volunteer. The volunteer will retrieve the school materials for the child/children, IF the material is available for pickup on that day. (Please see the schedule below as most classrooms and/or grade levels will be distributing materials on a different date/time.)
- **Station #3** = Parents who would like to check out a Chromebook or Hotspot will stop here. Please remember that our VERY limited number of Chromebooks and Hotspots will be distributed on a “first come, first served” basis.

As a reminder, we will be beginning this school year using the Distance Learning format, meaning that students will take all classes online and guided by their teachers. All parents will be receiving more specific information about their own child's school schedule soon. The information will come directly from the classroom teacher, but please watch for additional announcements from the Azevada school site.

I hope that everyone has had a wonderful and safe summer break. The teachers and I look forward to seeing our Azevada All Star parents and students soon (virtually)! As we begin this school year, please be sure to reach out to your child's teacher or our Azevada office staff with questions and concerns. Because we are beginning this school year in the Distance Learning format, the Azevada office will remain closed, but we are available via email.

Sincerely,

Mrs. Carole Diamond  
Principal

## Special Notice RE: Requested School Donations

August 2020

Dear Azevada families:

Welcome to the 2020 - 2021 school year! Because we are beginning this school year in the Distance Learning format, we have made some updates regarding school donations. Please be sure to review this revised document for important and new information.

We are currently beginning this school year in the Distance Learning format. If we return to the school building this year, we will ask that students come to school with the following personal school supplies: These items will not be shared and they should all be **clearly labeled with your child's full name and room number**. (If we do return to the school building this year, we will send out a reminder about this!)

Individual Backpack	Individual Headphones
Individual Binder (for students in grades 3 - 6 only)	Individual Lunch Box

Additionally, if we return to the school building this year, we will also ask that our Azevada students bring the following items to their classroom teachers. These items will be used for all students in the classroom. (Again, if we do return to the school building this year, we will send out a reminder about this!):

Ream of Copy Paper	Bottle of Hand Sanitizer
Box of Tissue (such as Kleenex)	Container of Baby Wipes

And as we did last year, instead of asking families to purchase a large number of specific supplies for each classroom, we will again be asking families to make a cash or check donation to Azevada so that our staff members can purchase needed items. While we will gladly accept any size donation, the suggested donation amount for the 2020-2021 school year is **\$75.00 per child**. The donated funds will be allocated as follows:

- **60%** of the donated funds will go directly to the child's **Homeroom Classroom Teacher's Supply Fund**.
- **10%** of the donated funds will go directly to the **Azevada School Library Supply Fund**.
- **10%** of the donated funds will go directly to the **Science Prep Teacher's Supply Fund**.
- **10%** of the donated funds will go directly to the **PE Prep Teacher's and Recess Equipment Supply Fund**.
- **5%** of the donated funds will go directly to the **RSP Teacher's and Intervention Teacher's combined Supply Fund**.
- **5%** of the donated funds will go directly to the **Azevada Office Supply Fund** (for additional copy paper and school office supplies).

While these funds will greatly help staff to provide an engaging learning environment, the funds will not support classroom field trips (if we return to the school building and we are allowed to plan field trips!). If we do return to the school building this year and a field trip is planned, families will receive a separate donation request for the field trip from the classroom teacher. The donation of these funds will also not replace other fundraisers sponsored by the Azevada parent groups (PTA and CIPCF). All funds donated will be used during the 2020 - 2021 school year.

### Why is this a win-win for parents and teachers?

- Parents will not need to shop at several stores at the beginning of the school year to purchase school supplies for the classroom.
- Parents and students will not have to bring a big bag of school supplies to school with them (when/if we return to the school building).
- Each teacher will be able to purchase their own individualized classroom supplies, when they need them.
- Your donation dollars will go farther, because Azevada is able to purchase discounted supplies from a variety of vendors.
- Company donation matching is encouraged and can benefit individual classrooms.
- Your donation is fully tax deductible. (Tax ID number for Azevada = 94-1636029)

Your contribution is completely voluntary, however, participation from the entire community allows our teachers to have their supply needs met. Our Azevada staff will be very appreciative of receiving the suggested donation amount shown above, but contributions in ANY amount will be appreciated. We also welcome additional contributions to support our Azevada families who are unable to participate.

Donations will be accepted via postal mail (check or money order) or online via MYSCHOOLBUCKS (<http://bit.ly/3iFe66y>) during the first several weeks of this school year. We would appreciate receiving all donations by September 30, 2020.

The entire Azevada staff and I thank you in advance for your contributions! Thank you!

Sincerely,

Mrs. Carole L. Diamond  
Principal

## Homework Policy

### 2020 - 2021

Homework, which supports and enriches class work, is assigned regularly and is believed to be an integral part of our educational program at Azevada Elementary School. As outlined in our FUSD District Homework Policy BP/AR 6154 (revised in February 2019), out-of-class assignments are provided to extend classroom learning of the standards in each curricular area.

We believe that parent-supported homework should help students become self-directed, self-disciplined, and independent learners, thus improving their immediate learning as well as their long-term academic achievement. We also believe in the development of the whole child and the importance of extra-curricular activities, play, and socialization.

In regard to homework, and reflective of the FUSD District Policies BP/AR 6154, Fremont Unified School District and Azevada Elementary School believe that:

- Homework is activities that students do outside of class to practice or extend classroom learning. While homework may prepare a student for future learning, it should not replace classroom instruction.
- Assignments should be appropriate to the developmental level of students and the rigor of the class.
- Homework should not be assigned on Fridays (if due on Monday), over breaks or during vacations.
- Absent students will be given time to make up missed homework equal to the number of days they were absent.
- All assignments, studying for exams, projects, and assigned reading are included in total maximum minutes.\*
- All classes are expected to follow the District Homework Policy BP/AR 6154.

Also reflective of FUSD District Homework Policy BP/AR 6154, the total number of minutes that a student should be assigned homework should be no more than:

<b>GRADE</b>	<b>DAILY MINUTES* (Homework does not need to be assigned every day.*)</b>
<b>TK</b>	0 minutes per day
<b>K</b>	0 - 15 minutes per day
<b>1st grade</b>	0 - 20 minutes per day
<b>2nd grade</b>	0 - 25 minutes per day
<b>3rd grade</b>	0 - 30 minutes per day
<b>4th grade</b>	0 - 40 minutes per day
<b>5th grade</b>	0 - 50 minutes per day
<b>6th grade</b>	0 - 60 minutes per day

The Azevada Elementary School Homework Policy will be monitored, including gathering feedback from parents, staff and students, annually. In an effort to strengthen the educational link between home and school, teachers will communicate their Classroom Homework Plans, which will follow the FUSD District Policy BP/AR 6154, at Back-to-School Night, in classroom newsletters, and on their webpages. A copy of the Azevada Homework Policy will also be available on the Azevada Elementary webpage.
