Dear Parents/Guardians,

My thanks to all of you for attending Parent Teacher Conferences via ZOOM this year. We had almost 100% of our parents attend conferences with their child's teacher. This year, probably more than any other, those connections, updates, and time spent "checking in" on how each student is doing is so important. We sincerely care about every student and their family.

We have an update on the GATE process and Sibling Priority enrollment from FUSD. The GATE process is still being revised, however if you have a 5th or 6th grade student who was never tested or identified in an earlier grade, please complete the parent nomination form and submit it to me by Friday 12/11/2020. The link can be found on the following page of this newsletter. For Sibling Priority Enrollment, the process has been simplified. You do not have to pick up a packet from our school site first. If Chadbourne is your home school and you currently have an enrolled student in Grades K – 5 at Chadbourne, simply enroll your incoming student online between 1/11/2021 and 3/12/2021 and your incoming sibling will automatically receive priority enrollment.

Remember that Friday, December 18th is an early release day. Students are dismissed at 1:05. There will be no school during Winter Break. We will see everyone's smiling faces again when we return on January 2, 2021.

From my heart to yours, I am wishing each of you joy, health, love, peace, and happiness during this holiday season. Looking forward to a more promising 2021!

Happy Holidays!

2020/2021 GATE Update

Fremont Unified School District (FUSD) provides support for gifted and talented (GATE) students through differentiated instruction. We believe that differentiated instruction not only serves the needs of our exceptional students, but also enhances the entire educational program for all students.

In February of 2020, funding for the CogAT testing was cut as part of the budget savings. While the CogAT testing has been the primary means of qualifying students for GATE identification we are now in the process of identifying an alternative way of identifying students. **There will not be a test for GATE eligibility given this year.** We are currently revising the GATE identification process and handbook FUSD will have an update by Spring 2021.

During the 2020/21 school year we will continue to identify 5th and 6th grade students who were not identified in an earlier grade. These students may be considered for GATE identification through the professional judgement process. [Teachers](#) (staff only) and/or [parents](#) may nominate a student. A completed nomination form must be submitted by the teacher or parent to the school Principal by December 11, 2020. Principals will set up meetings with the teacher, student, and parent to discuss the student's eligibility for GATE identification. In June 2021, parents, teachers, and students who applied for professional judgement will be informed of their child's GATE eligibility.

Fremont 聯合學區(FUSD)為資優(GATE)學生提供區別教學。我們相信區別教學不只滿足本校傑出學生的需要，也提高了給所有學生的整體教育計劃。

2020年2月，CogAT 測驗的資金因為節省預算而刪減。CogAT 測驗一直是鑑定GATE 合格學生的主要工具，我們正在尋找另一個識別學生的替代方法。今年將不會進行GATE資格測驗。我們正在修改GATE 鑑定程序和手冊。FUSD將於2021年春季完成更新。

在2020/21 學年間，我們將繼續鑑定較早年級沒有被鑑定的五年級和六年級學生。這些學生可經由專業評判程序被識別為GATE資格。[老師](#) 和/或 [家長](#) 可以推薦學生。填妥的推薦表格必須於2020年12月11日之前送交學校校長。校長將安排與老師，學生和家長會面，討論學生GATE 的識別資格。申請專業評判的家長，老師和學生將於2021年6月 收到他們孩子的GATE 資格。

Attendance Reminder for Families

Thank you Chadbourne families for ensuring our students are on time and in attendance for Distance Learning! Our attendance rate for October was! That is great news! Our attendance rate through November was at 98.9%! Fantastic! Tardies are still in need of improvement, so let's strive to log in on time! **Please remember to report all absences AND tardies on our attendance line: (510)656-5242 Option 7 to leave a message for our Attendance Clerk, Ms. Tammi Viegas.**

Health Tips from Nurse Andrew

Hello Chadbourne families! As we approach late fall and winter months, I encourage you to consider getting the flu vaccine. Please also remember to practice good hand hygiene and continue to follow Alameda County guidelines in an effort to reduce the spread of COVID-19. Check out this poster from the Centers for Disease Control and Prevention for great tips: (<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention-H.pdf>). Together, these efforts will help to protect yourself, your family, and your community from these diseases.

Parent/Guardian Protocols During Distance Learning

As we move into a new full distance learning model this year, it's important for our parents/guardians and their families to understand and respect the legal aspects pertaining to students, teachers, and staff.

Student Confidentiality

All students have the right to confidentiality, which extends to distance learning.

Exception: By law, staff members are mandated reporters and required to report suspected child abuse, as well as safety concerns related to danger of self and to others.

To the extent possible, all students should remain in a confidential setting while viewing in-classroom teaching.

Per Education Code 51512, it is illegal to record teachers and/or students. This is a violation of student and staff privacy.

In-classroom teaching is for the personal use of the student for the sole purpose of distance learning.

Parents/guardians and family members of early elementary students may support students as they learn how to use online platforms to access learning.

We ask that parents/guardians who need to communicate with their student's teacher schedule a meeting with the teacher so that the live instructional time can proceed without interruptions. All teachers have identified office hours to support students and families.

Academic Integrity

FUSD places a high value on academic integrity and honesty. Students are expected to use only the resources and references allowed by their teachers in completing assignments and assessments.

While collaborative work with other students is often encouraged and acceptable, students must follow teacher directions when told to work independently.

Students who cheat on assignments or assessments will be penalized.

Student Dress Code and Behavior

Students should keep to the dress code as they would in a physical classroom, and avoid inappropriate clothes during a live session.

The District has the right to monitor behavior, identify bullying, and set expectations for good behavior while using these platforms.

The District may use audio or video recordings when investigating possible inappropriate behavior.

Visiting the School Site

Our school sites are closed to the public but there may be instances when the site administrator will contact you or students to come to the site. In order to follow health and safety guidelines provided by the Alameda County Public Health Department (ACPHD) and California Department of Public Health (CDPH), we ask that all visitors:

Maintain a social distance of six feet with anyone around you. In addition, we will only allow a maximum of two visitors at a time in all school offices.

Wear face coverings at all times. Those without a face covering will not be allowed on any school property.

Limit their movement on campus to the school office only. Visitors, including parents/guardians, are not allowed to enter the school grounds or classrooms.

Adhere to the drop off/pick up schedules for packets and assignments as determined and communicated by each school site.

Best Practices for Students and Staff during Distance Learning

With an eye towards these privacy issues, we have put together the following shortlist of best practices when using distance learning platforms:

Avoid uploading sensitive, confidential, or personally identifiable information to these platforms whenever possible.

Always access these platforms from the same device (e.g., designate one computer for distance learning; do not use multiple computers or devices).

Regularly clear your internet history, including your browsing history, cache, and cookies.

Use an advertisement blocking program while accessing these platforms.

FREMONT UNIFIED
SCHOOL DISTRICT

November 16, 2020

Dear Parent/Guardian:

During the 2020-21 school year, your child will be assessed a total of three times to help determine areas where they may need additional support. These district assessments, along with other classroom assessments, will be used to identify students who may have experienced significant learning loss due to distance learning in the 2019-20 school year, as well measure student progress of this year's course standards to identify students who are at risk of experiencing learning loss due to distance learning.

The first of these three assessments was administered during the month of October. School sites are currently analyzing data collected from Assessment 1 to determine classroom and other interventions that may need to be implemented for specific students. The Assessment 1 tests were based on students' previous year content standards in English Language Arts (ELA) and Mathematics.

Parents/guardians currently have access to Assessment 1 results via the [Illuminate Parent Portal](#). Grade 6-12 Mathematics results are not in the Illuminate Parent Portal - please contact your child's teacher for assessment results. If you do not have access to the Illuminate Parent Portal, please contact your child's school office. The results of this assessment will **not** be used for grading purposes and will be excluded from report card grades.

Assessments 2 and 3 will focus on your child's current grade level content standards taught up to that point in time. The testing windows will be as follows:

- Kindergarten - Grade 5
 - ELA, Assessment 2: November 30, 2020 - December 11, 2020
 - Mathematics, Assessment 2: January 6, 2021 - January 27, 2021
 - ELA and Mathematics, Assessment 3: March 2021, dates TBD
- Grade 6 - Grade 12:
 - ELA, Assessment 2: November 30, 2020 - December 11, 2020
 - Mathematics, Assessment 2: January 25, 2021 - February 5, 2021
 - ELA and Mathematics, Assessment 3: March 2021, dates TBD

If you have any questions regarding the results of these assessments or intervention your child may be receiving, please contact your child's teacher.

Sincerely,
FUSD Instructional Services Department
