Dear Parents/Guardians,

Welcome back! It's hard to believe that we are on the cusp of school starting already. Although this summer was a different kind of "break", it still seemed to pass by quickly. We have been very busy planning for an amazing 2020/2021 school year. I understand that all of you will be balancing many different things as we start the year with distance learning. We will all work together.

Although school is starting differently this year, we are all committed to making this a robust and successful year for each of our Chadbourne students. Wishing all of you a wonderful 2020/2021 school year.

Please note, although schools are closed, we maintain a COVID-19 safe campus at school. If you are on campus for any reason please remember to wear a mask and follow all social distancing protocols. **Remember that due to school closures it is easiest to reach us by email.**

To be sure that we haven't missed anyone, you will find a summary of some of our August communications to parents within this newsletter.

Welcome back to Chadbourne!

Kimberley  
Pedrotti Principal

## 8/17/20 Picking-up Materials and Information regarding Distance Learning

Good Afternoon

I understand many of you have questions in regards to the beginning of the school year.

1. Textbooks - If you are 2nd - 3rd you will come Thursday the 20th between 9 - 11 to get your textbooks. (First grade are doing theirs on a different day, which they are communicating with families) Kindergarten should have received information from the teachers in regards to Orientation and back to school night.
- 4th - 6th grade are on Friday the 21st , unless you have heard differently from your teacher.
2. Chrome books - you can get one when you come for materials. Ask a staff member and they will direct you.
3. Schedules - teachers will be reaching out to families on the 21st to invite you to a zoom meeting on the 24th which will give you more information on what to expect. (August 24th from 1-2).
4. Please be sure to email the office with any concerns, as the office will be closed to the public until shelter in place has been lifted. We are not always onsite so that is why email is the best.
5. If you still have library books from last year please bring them back to school, and any other books you may have.

Mrs. Pedrotti

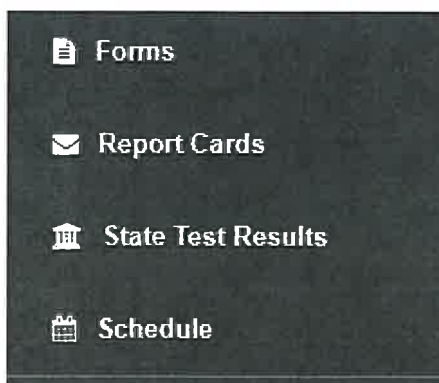

## 8/17/20 Quick HOW TO instructions: See your students' schedule once you've completed the ONLINE MAZE forms

Greeting Parents,

Many of you have reached out on how to find schedule for your students. Hope following instruction will be helpful:

## FUSD Protocols for Distance Learning

As we move into a new full distance learning model this year, it's important for our parents/guardians and their families to understand and respect the legal aspects pertaining to students, teachers, and staff.

### **Student Confidentiality**

- All students have the right to confidentiality, which extends to distance learning.
  - Exception: By law, staff members are mandated reporters and required to report suspected child abuse, as well as safety concerns related to danger of self and to others.
- To the extent possible, all students should remain in a confidential setting while viewing in-classroom teaching.
- [Per Education Code 51512](#), it is illegal to record teachers and/or students. This is a violation of student and staff privacy.
- In-classroom teaching is for the personal use of the student for the sole purpose of distance learning.

- Parents/guardians and family members of early elementary students may support students as they learn how to use online platforms to access learning.
- We ask that parents/guardians who need to communicate with their student's teacher schedule a meeting with the teacher so that the live instructional time can proceed without interruptions. All teachers have identified office hours to support students and families.

### **Academic Integrity**

- FUSD places a high value on academic integrity and honesty. Students are expected to use only the resources and references allowed by their teachers in completing assignments and assessments.
- While collaborative work with other students is often encouraged and acceptable, students must follow teacher directions when told to work independently.
- Students who cheat on assignments or assessments will be penalized.

### **Student Dress Code and Behavior**

- Students should keep to the dress code as they would in a physical classroom, and avoid inappropriate clothes during a live session.
- The District has the right to monitor behavior, identify bullying, and set expectations for good behavior while using these platforms.
- The District may use audio or video recordings when investigating possible inappropriate behavior.

### **Visiting the School Site**

Our school sites are closed to the public but there may be instances when the site administrator will contact you or students to come to the site. In order to follow health and safety guidelines provided by the Alameda County Public Health Department (ACPHD) and California Department of Public Health (CDPH), we ask that all visitors:

- Maintain a social distance of six feet with anyone around you. In addition, we will only allow a maximum of two visitors at a time in all school offices.
- Wear face coverings at all times. Those without a face covering will not be allowed on any school property.
- Limit their movement on campus to the school office only. Visitors, including parents/guardians, are not allowed to enter the school grounds or classrooms.
- Adhere to the drop off/pick up schedules for packets and assignments as determined and communicated by each school site.

### **Best Practices for Students and Staff during Distance Learning**

- With an eye towards these privacy issues, we have put together the following shortlist of best practices when using distance learning platforms:
  - Avoid uploading sensitive, confidential, or personally identifiable information to these platforms whenever possible.
  - Always access these platforms from the same device (e.g., designate one computer for distance learning; do not use multiple computers or devices).
  - Regularly clear your internet history, including your browsing history, cache, and cookies.
  - Do not share your login credentials or meeting links with anyone.
  - Use an advertisement blocking program while accessing these platforms.
