Dear Parents/Guardians,

Happy New Year! We have some special assemblies coming up for our students. We will begin Character Assemblies this month. January's Character Trait is Planning and Decision Making. We also have Zun Zun assemblies happening this month. This is an annual school assembly and I am so pleased that we are able to continue this over ZOOM by grade level.

Please be sure to read the information on the next page about our Yearbook. Parents, we need your participation to make this Yearbook the wonderful success we know it will be.

**Of special note: Now is the time for enrolling NEW TK and Kindergarten students as well as Sibling Priority Enrollment.**

This process has been simplified. You do not have to pick up a packet from our school site first before enrolling your child this year. If Chadbourne is your home school, and you currently have an enrolled student in Grades K – 5 at Chadbourne, simply enroll your new incoming student online between 1/11/2021 and 3/12/2021. Your incoming sibling will automatically receive priority enrollment.

**Attention current TK Parents:** If Chadbourne is your home school, and your child is currently enrolled in TK through FUSD, they will be automatically enrolled with us for the 21/22 school year. No further action on your part is needed.

Remember that Monday, January 18<sup>th</sup> is a holiday celebrating Martin Luther King Jr. School will be closed.

I am really enjoying seeing your children when I stop by their classrooms over ZOOM. I am proud of them, our teachers, and all of you parents for your resilience, dedication, and support during these times.

Best Wishes,

A handwritten signature in black ink, appearing to read "Kimberley Pedrotti".

Kimberley Pedrotti  
Principal

A quick reminder: Although schools are closed, we maintain a COVID- 19 safe campus at school. If you are on campus for any reason please remember to wear a mask and follow all social distancing protocols.

**Remember that due to school closures it is easiest to reach us by email.**

## 2020/2021 Yearbook Update (Parent Action Needed ASAP)

### Yearbook Pictures Needed!

Chadbourne Parents, we need your help to fill our 2020/2021 school yearbook. This unusual school year deserves a special memory book to look back on. We have a custom cover design using artwork from student submissions. We plan to let each classroom have two pages in the yearbook and need parents to send us student photos. We would like a passport style photo for the student as well as a candid shot of them doing classwork, biking, hiking, exercising, playing an instrument, doing artwork, celebrating special events, etc.

Please email photos to [yearbook@cffaonline.org](mailto:yearbook@cffaonline.org)

Be sure to list your child's name, your child's teacher, and the classroom number with the submission.

Thanks so much for your help!

The Chadbourne Yearbook Committee

### Attendance Reminder for Families

Thank you Chadbourne families for ensuring our students are on time and in attendance for Distance Learning! Our attendance rate for December was 99.1%! Such great news! Let us continue strive to log in on time! **Please remember to report all absences AND tardies on our attendance line: (510)656-5242 Option 7 to leave a message for our Attendance Clerk, Ms. Tammi Viegas.**

### Health Tips from Nurse Andrew

Hello Chadbourne families! As we approach late fall and winter months, I encourage you to consider getting the flu vaccine. Please also remember to practice good hand hygiene and continue to follow Alameda County guidelines in an effort to reduce the spread of COVID-19. Check out this poster from the Centers for Disease Control and Prevention for great tips: (<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention-H.pdf>). Together, these efforts will help to protect yourself, your family, and your community from these diseases.

### Parent/Guardian Protocols During Distance Learning

As we move into a new full distance learning model this year, it's important for our parents/guardians and their families to understand and respect the legal aspects pertaining to students, teachers, and staff.  
Student Confidentiality

All students have the right to confidentiality, which extends to distance learning.  
Exception: By law, staff members are mandated reporters and required to report suspected child abuse, as well as safety concerns related to danger of self and to others.

To the extent possible, all students should remain in a confidential setting while viewing in-classroom teaching. Per Education Code 51512, it is illegal to record teachers and/or students. This is a violation of student and staff privacy. In-classroom teaching is for the personal use of the student for the sole purpose of distance learning. Parents/guardians and family members of early elementary students may support students as they learn how to use online platforms to access learning. We ask that parents/guardians who need to communicate with their student's teacher schedule a meeting with the teacher so that the live instructional time can proceed without interruptions. All teachers have identified office hours to support students and families.

#### Academic Integrity

FUSD places a high value on academic integrity and honesty. Students are expected to use only the resources and references allowed by their teachers in completing assignments and assessments. While collaborative work with other students is often encouraged and acceptable, students must follow teacher directions when told to work independently. Students who cheat on assignments or assessments will be penalized.

#### Student Dress Code and Behavior

Students should keep to the dress code as they would in a physical classroom, and avoid inappropriate clothes during a live session. The District has the right to monitor behavior, identify bullying, and set expectations for good behavior while using these platforms. The District may use audio or video recordings when investigating possible inappropriate behavior.

#### Visiting the School Site

Our school sites are closed to the public but there may be instances when the site administrator will contact you or students to come to the site. In order to follow health and safety guidelines provided by the Alameda County Public Health Department (ACPHD) and California Department of Public Health (CDPH), we ask that all visitors:

Maintain a social distance of six feet with anyone around you. In addition, we will only allow a maximum of two visitors at a time in all school offices.

Wear face coverings at all times. Those without a face covering will not be allowed on any school property.

Limit their movement on campus to the school office only. Visitors, including parents/guardians, are not allowed to enter the school grounds or classrooms.

Adhere to the drop off/pick up schedules for packets and assignments as determined and communicated by each school site.

#### Best Practices for Students and Staff during Distance Learning

With an eye towards these privacy issues, we have put together the following shortlist of best practices when using distance learning platforms:

Avoid uploading sensitive, confidential, or personally identifiable information to these platforms whenever possible.

Always access these platforms from the same device (e.g., designate one computer for distance learning; do not use multiple computers or devices).

Regularly clear your internet history, including your browsing history, cache, and cookies.

Do not share your login credentials or meeting links with anyone.

Use an advertisement blocking program while accessing these platforms.
