Dear Parents/Guardians,

I'm so happy to have had this opportunity to be back in-person at Chadbourne with all of our students and staff this year. Although it has been a year of great challenges, it has also been a year that has brought great moments of joy. As a school, we have been provided extra resources this year allowing us to focus on the social and emotional needs of our students as well as their academic success. Although COVID-19 is still with us, my hope is that we are able to return to many of the activities that our community of Chadbourne Pioneers have always loved participating in!

As always, at this time of year, we must bid farewell to some members of our staff who will be moving on to new adventures next school year. We will miss Mrs. Mead, Mrs. Calimlim, Mrs. Simon, Mrs. Wentworth, Miss Cheung, Mrs. Ritona, Coach Johnson, Mrs. Sagar, and Mrs. Green. Thank you all for sharing your special gifts of knowledge, creativity, and heart with our school.

Chadbourne Parents/Guardians/CFFA Volunteers – you have overwhelmed all of us with your support this year. Your children and their education, their health, and their safety, are at the forefront of everything we do here at Chadbourne, everyday! Their needs are our number one priority. Thank you for your support and for setting such amazing examples for your children.

Don't forget to check your email in mid-July for the online MAZE instructions. This is how you will provide the schools with your proofs of residency, and complete and submit all of the annual forms required for your child for next school year. Please complete/submit these forms before August if possible to allow us ample time to reach you in case we need additional information.

Have a wonderful summer enjoying time with your families!

Sincerely,

A handwritten signature in black ink, appearing to read "K Pedrotti".

CONTINUING STUDENT ENROLLMENT FOR FALL 2022-2023 UPDATE

We appreciate all of our observant Chadbourne families who have been wondering why they didn't receive the usual 22/23 Reservation Forms in their mailboxes last February. Good news! Students currently enrolled with us were automatically rolled over to the next grade level at Chadbourne for the FALL 2022 – 2023 school year.

Prior to the start of school (JULY 15th), you will receive an email from FUSD notifying you when the Online MAZE Days window opens. Parents will then be required to log into their Infinite Campus (IC) Parent Portal to complete online forms (including emergency updates) and upload proof of residency for your address as noted in our student system.

Once parents have completed the Online MAZE Day process, they will be ready to log back in when we release Student Schedules/Teacher Assignments. At this time, the MAZE Day window dates have not been determined, but historically the window has opened in mid to late July in advance of the first day of school in August.

We strongly recommend that you take a few moments and log into your IC Parent Portal soon so that you'll be ready. If you've forgotten your password, this will allow you to reset it now. Waiting to resolve a portal issue until July is not recommended as it may take weeks to get a reply.

If your child will **not be attending Chadbourne or another FUSD school in the fall, please let us know** and we will have your child's school records ready to send to their next school.

Please complete and email the [Change of Address Form](#) along with 2 residency proofs of your new address to our School Attendance Clerk, Tammi Viegas, <mailto:tviegas@fusdk12.net> for processing. This ensures you receive school and district mailings. During summer break, please check the FUSD Enrollment website: <https://www.fremont.k12.ca.us/enrollment> to submit your Change of Residency.

DIGITAL FLYER DELIVERY

As a reminder, FUSD uses Peachjar to send school information and approved flyers from community organizations digitally. In addition to important school events and information, these flyers contain programs and events offered throughout your community that help your child succeed. After-school sports, local family events, free community programs, and college prep are just a handful of the resources found in our district's Peachjar emails. You can also find all school-approved digital flyers posted on Chadbourne's flyer board by clicking the "Peachjar eflyers" button.
