Dear Parents/Guardians,

Things have settled into a better routine in my house. I know my children are getting the hang of distance learning, and for myself personally - as a parent, former teacher, and Principal - so am I. This is not easy and I want you all to know that I am right there with you, looking forward to more normal days to come.

You may have recently learned that Alameda County is being given a green light for some students to return to school later this month. That is a positive sign, but please know that FUSD will not be returning to in-person learning until all of the District criteria for returning have been met, all steps have been worked out, and it is safe to do so for both our students and our staff. A decision of this magnitude is an extremely detailed process that requires multiple steps and the consideration of all involved.

We had a GREAT turnout at Back To School Night (over ZOOM) last month. I want to thank you all for attending. It was inspiring to see so many parents participating at that event. I would also like to thank all of you who are responding to surveys, meeting with me, checking in with your child's teacher, and for being so "present" with us.

Wednesday 10/7/20 at 6pm we have a fantastic opportunity to "Meet & Greet" our new FUSD Superintendent, CJ Cammack. Please refer to the attached flyer for details on how to attend.

Please note, although schools are closed, we maintain a COVID-19 safe campus at school. If you are on campus for any reason please remember to wear a mask and follow all social distancing protocols. **Remember that due to school closures it is easiest to reach us by email.**

Happy October!

Kimberley Pedrotti  
Principal

## **Districtwide Outdoor Facility Use**

Outdoor facilities used by outside groups are prohibited until further notice. This includes the maintenance of fields by little leagues or any organization. This is due to safety and liability concerns. If you have any questions, please contact Rod Victorine at: [rvictorine@fusdk12.net](mailto:rvictorine@fusdk12.net) or Kathy Moyer at: [kmoyer@fusdk12.net](mailto:kmoyer@fusdk12.net)

## **California Physical Fitness Test (PFT) Suspended for 2020-21**

From the Department of Assessment and Accountability - On September 18, 2020, Governor Gavin Newsom signed into law SB 820. SB 820 prescribes that, as a result of the COVID-19 pandemic and the need to comply with state and local health guidelines, the administration of the physical performance test shall be suspended for the 2020-21 school year. Therefore, the PFT will not be required to be administered and the California Department of Education (CDE) will not be collecting PFT data for the 2020-21 school year.

## **Health Tips from Nurse Andrew**

Hello Chadbourne families! As we approach late fall and winter months, I encourage you to consider getting the flu vaccine. Please also remember to practice good hand hygiene and continue to follow Alameda County guidelines in an effort to reduce the spread of COVID-19. Check out this poster from the Centers for Disease Control and Prevention for great tips: (<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention-H.pdf>). Together, these efforts will help to protect yourself, your family, and your community from these diseases.

## **Parent/Guardian Protocols During Distance Learning**

As we move into a new full distance learning model this year, it's important for our parents/guardians and their families to understand and respect the legal aspects pertaining to students, teachers, and staff.

### **Student Confidentiality**

- All students have the right to confidentiality, which extends to distance learning.
  - Exception: By law, staff members are mandated reporters and required to report suspected child abuse, as well as safety concerns related to danger of self and to others.
- To the extent possible, all students should remain in a confidential setting while viewing in-classroom teaching.
- Per Education Code 51512, it is illegal to record teachers and/or students. This is a violation of student and staff privacy.
- In-classroom teaching is for the personal use of the student for the sole purpose of distance learning.
- Parents/guardians and family members of early elementary students may support students as they learn how to use online platforms to access learning.
- We ask that parents/guardians who need to communicate with their student's teacher schedule a meeting with the teacher so that the live instructional time can proceed without interruptions. All teachers have identified office hours to support students and families.

### **Academic Integrity**

- FUSD places a high value on academic integrity and honesty. Students are expected to use only the resources and references allowed by their teachers in completing assignments and assessments.
- While collaborative work with other students is often encouraged and acceptable, students must follow teacher directions when told to work independently.
- Students who cheat on assignments or assessments will be penalized.

### **Student Dress Code and Behavior**

- Students should keep to the dress code as they would in a physical classroom, and avoid inappropriate clothes during a live session.
- The District has the right to monitor behavior, identify bullying, and set expectations for good behavior while using these platforms.
- The District may use audio or video recordings when investigating possible inappropriate behavior.

### **Visiting the School Site**

Our school sites are closed to the public but there may be instances when the site administrator will contact you or students to come to the site. In order to follow health and safety guidelines provided by the Alameda County Public Health Department (ACPHD) and California Department of Public Health (CDPH), we ask that all visitors:

- Maintain a social distance of six feet with anyone around you. In addition, we will only allow a maximum of two visitors at a time in all school offices.
- Wear face coverings at all times. Those without a face covering will not be allowed on any school property.
- Limit their movement on campus to the school office only. Visitors, including parents/guardians, are not allowed to enter the school grounds or classrooms.
- Adhere to the drop off/pick up schedules for packets and assignments as determined and communicated by each school site.

### **Best Practices for Students and Staff during Distance Learning**

- With an eye towards these privacy issues, we have put together the following shortlist of best practices when using distance learning platforms:
  - Avoid uploading sensitive, confidential, or personally identifiable information to these platforms whenever possible.
  - Always access these platforms from the same device (e.g., designate one computer for distance learning; do not use multiple computers or devices).
  - Regularly clear your internet history, including your browsing history, cache, and cookies.
  - Do not share your login credentials or meeting links with anyone.
  - Use an advertisement blocking program while accessing these platforms.

## FREMONT UNIFIED SCHOOL DISTRICT

4210 Technology Drive:  
P.O. Box 5008  
Fremont, CA 94538  
(510) 657-2350

August 4, 2020

Dear Fremont Unified School District Parents and Guardians,

Fremont Unified School District (FUSD) has determined that a Distance Learning model will be the basis of the return to school during COVID-19 for the 2020-21 school year. The Fremont Education Foundation (FEF) recognizes that to achieve Quality Distance Learning (QDL), it must be supported by technology equipment and high-speed internet access for all students and teachers. To that end, FEF is working closely with FUSD to help support students and teachers, in alignment with our mission:

*"The Fremont Education Foundation is dedicated to enhancing educational opportunities for all our students in Fremont Unified School District's schools by increasing community support and involvement".*

### Here's How You Can Help

FEF has set a fundraising goal of \$250,000 to be reached in time for the funds to be transferred to FUSD by September 1, 2020, (with an option to extend the deadline to October 1, 2020). To increase community support and involvement, FEF has allocated up to \$25,000 as matching funds for donations from parents and guardians, families, and community members - anyone who wishes to make a donation!

### Donate \$20 in 2020!

Please consider a donation of \$20 for each student in your family. With over 34,000 students enrolled in Fremont public schools that would total over \$680,000-more than twice our goal of \$250,000. Of course, each and every donation is welcome, and remember - FEF will match your donation, dollar-for-dollar, up to the first \$25,000 received!!!

To make your tax-deductible donation, please either send a check payable to Fremont Education Foundation and specify "Quality Distance Learning" in the memo line or you may easily donate via the FEF website with this direct link. If you choose to send a check that will help avoid online transaction fees, please complete the form below and send it along with your check.

With our sincere thanks,

Christopher "CJ"

# Grab and Go Meal Update

Starting this Friday, September 25th, FUSD Grab and Go meal sites will be serving child meals for Saturday and Sunday along with the Friday meals. Come to any of the Grab and Go meal sites on Fridays, at any scheduled meal distribution time, and pick up 3 breakfasts and 3 lunches. See <https://fusdcafes.org/> for Grab and Go locations and times.

---

## Q & A for Grab and Go Meals

We wanted to take some time to answer the most common questions we receive about the child Grab and Go meal program:

### *Who can get meals?*

Meals are free for all children ages 2 to 18 years old. The child does not have to be enrolled in Fremont Unified School District to participate.

### *When can I pick up meals?*

Meals are served daily: all FUSD high schools and Walters Middle School serve twice daily, all other sites serve meals once a day. Please visit <https://fusdcafes.org/> for Grab and Go locations and times.

### *How long will FUSD Grab and Go meals be available for?*

The Grab and Go meal program at Fremont Unified School District is currently being allowed to serve Grab and Go meals until December 31st, if necessary. A notice will go out if this date changes.

### *Does the child need to be present at the grab and go pick up?*

Child does not need to be present to pick up meals, no student ID or ID number is needed.

### *Do I need to pick up food at my child's school?*

You do not need to go to the child's school, you may pick up breakfast and lunch meals for any children, at one of the 29 meal serving locations, during any of the mealtimes.

### *What do I need to bring to get a grab and go meal for a child?*

You do not have to bring anything to receive a meal for a child, you may be asked the child's age by a Child Nutrition Service staff member.

### *Does the breakfast meal service (at all high schools and Walters Middle School) only serve breakfast?*

Breakfast and lunch will always be served together, and breakfast and lunch are served at all mealtimes (afternoons and mornings, where available).
