# Functions of the SSC

- Assist with the development of a comprehensive Single Plan for Student Achievement (SPSA) based on student data
- Ensure that the school is identifying curriculum and instructional practices that are researched based and proven to be successful
- Develop a budget aligned to the regulations of how those funds need to be spent
- Recommend the Single Plan for Student Achievement to the local school board
- Allocation of supplemental funds to improve Student Achievement
- Allocations of funds need to be based on the needs of students
  - What is the data telling the SSC with respect to the achievement of our students?
  - What are the areas that our students need assistance?
  - How are we going to allocate the funding to close the achievement gap?

---

# Funciones del SSC

- Asistir con el desarrollo de un Plan Individual comprensivo para el Logro del Estudiante (SPSA) basado en las estadísticas del estudiante
- Asegurarse que la escuela está identificando programas y prácticas educativas que sean basadas en la investigación y comprobación exitosas
- Desarrollar un presupuesto alineado al reglamento sobre cómo deben usarse estos fondos
- Recomendar el Plan Individual del Logro del Estudiante a la Mesa Directiva local
- Distribución de los fondos suplementarios para mejorar el Logro Académico del Estudiante
- La distribución de los fondos debe basarse en las necesidades de los estudiantes
  - ¿Que significa la información para el SSC con respecto al logro académico de los estudiantes?
  - ¿Cuales son las áreas donde nuestros estudiantes necesitan asistencia?
  - ¿Como vamos a distribuir los fondos para cerrar la brecha
