A Word from our Principal

Dear Millard Families,

The month of February has arrived and we have so many things happening at Millard. This month we celebrate Black History Month, and our teachers and students are learning and celebrating the many contributions of African Americans in our community and country. Our Millard community is committed to embracing the diversity that makes our school a wonderful place to learn.

Next week we will be sending the dates and times for our Millard Parent Nights. We will be focusing on social emotional learning, tools to support your child in math and ELA at all grade levels, and an informational night on autism and ways to support children with autism. We encourage all parents to join us. Also, please see the information below regarding a series of parent workshops about social media and how you can help keep your child safe.

I want to thank all who supported our See's Candies fundraiser. We raised \$845 to support our efforts to provide students with enrichment opportunities. If you would like to make a gift to Millard for this cause, you can drop off your gift at the school office. Thank you for your continued support for our students and our school.

In Partnership,

Dr. Jorge D. Gonzalez, Interim Principal

FALL 2023 – 2024 RESIDENCY VERIFICATION FOR CONTINUING STUDENT ENROLLMENT FORMS HAVE BEEN MAILED OUT.

Please lookout in the mail for the “FALL 2023-2024 Reservation/Registration Form” that have already been mailed for each student *currently* enrolled in K – 5th grades. The form will *not* be handed out to parents and serves 2 purposes: it reserves a spot for your child next year at Millard and also fulfills the District’s mandated annual residency verification via USPS. ***Please don’t mistake the letter for junk mail and toss it out!***

- ***For students who will be moving on to junior high next year, Millard will collect the form and proofs and communicate with Walters to confirm a space will be reserved for next year.***

By submitting the required form and Residency Proofs by February 24th, your child will be reserved a space for next year.

*The forms must be returned to the school that your student currently is attending; if you have a student overloaded to another elementary school, please return it there.

To view the “Continuing Student Timeline” please visit the FUSD 2023-2024 Enrollment webpage:
