Message from the Principal-

Dear MVE Community,
Please take this time to unplug from online school and zoom learning. Enjoy family time, books, cooking, puzzles, walks, even video games and other activities you enjoy. I plan to do that as well.

Next time I see you all (on zoom), it will be a new year!
Wishing you Happy Holidays and a Safe and Healthy New Year!
Your Partner in Education,

Mrs. Denise Mapelli, Principal email: dmapelli@fusdk12.net

Our School Counselor-

My name is Fabiola Camarillo, and I am the School Counselor for Blacow & Mission Valley Elementary. Through my role as a School Counselor, I support all of our students in the areas of academic, social-emotional, and educational development through a variety of services.

We know parenting is a tough job, I assist with parent support by providing strategies and necessary resources to assist the family supporting their child.

SIBLING PRIORITY ENROLLMENT:

Families no longer need to visit the school office to initiate sibling enrollment.

When a family enrolls the sibling during sibling priority (grades TK-5/6) Student Support Services will be able to see in the system that they have another child and we will put them on the list based on sibling priority. Sibling registration will be done online between January 11 - March 12 for sibling priority

GENERAL ENROLLMENT:

The enrollment website was updated the 2021-2022 year. There is now an information document, update videos and a schedule of virtual office hours that parents can attend.

For more information on registration, visit the FUSD webpage here: [Enrollment](#)

6TH GRADE ENROLLMENT FOR JUNIOR HIGH:

Virtual zoom visits will be conducted in early March. Teachers will connect with families with date & time after we return from winter break.
