Creating a Caring Community

Oliveira Staff, Parents and Students,

Thank you for **all** that you do for the students and each other on the Oliveira campus. I am thankful to be back at Oliveira with the students, and they continue to SOAR.

Please remind your child (or children if you have more than one!) to use the Eight Great Traits every day. This month, Oliveira is focusing on Planning & Decision-Making. Students thrive when supported by their families and their school—please support your child by planning appointments outside of the school day, sending your child to school with lunch, a water bottle and their school materials. Help your child learn to make decisions about their learning, behavior and health. Again, I truly appreciate the support of all the families as we help your children grow and understand the importance of being caring individuals.
