Patterson Elementary School's Mission and Vision

Vision: The Patterson community will nurture the whole child to reach their highest potential.

Mission: In order to provide equitable opportunities that educate, challenge and inspire our students, Patterson's mission is to ensure:

Each student will:

- Practice healthy habits
- Stay physically and emotionally safe
- Actively engage in learning
- Seek support from adults

Educators will:

- Share best practices
- Provide real-world experiences
- Meet students' individual needs
- Ensure communication with families

Our families and community will:

- Ensure students are prepared to learn
- Provide academic and emotional support
- Keep open communication with teachers and staff

Principal's Message

Dear Patterson Families,

The school year has started and we are off to a great start! The laughter, joy, and learning taking place fill the Patterson campus. Our staff has been reviewing material and introducing new concepts with a special focus on the social and emotional needs of our students. We are working to ensure that we meet every student where they are and that we provide meaningful and engaging learning opportunities. We ask that you continue to check in with your child and ask them about their day and what they are learning. Together, we can build a partnership rooted in the academic and social emotional well-being of every child.

I want to thank all of our school community for taking the time to do the health screener every morning and for following our flowchart when students are not feeling well. We ask that you please keep your child home if they are exhibiting any symptoms. Working together will allow us to ensure the safety of our school community. I ask that you please continue to communicate with us if your child is not feeling well so that we can offer the necessary support. Lastly, masks must cover the nose and mouth and must be worn at all times while on campus.

As we continue on this academic year, I look forward to working together to ensure the academic success of every child.

In Partnership,
Jorge D. Gonzalez, Ed.D.
