

## LIBRARY MEDIA CENTER FUND

Our MSJHS library serves as a vital resource for all students. In addition to our print collection which includes reference books, curriculum support books, literature and popular teen fiction, we provide all students with access to computers and curricular software, grey scale and color printers, scanners, and a gray scale and a color photo copy machine.

State funding for the library has diminished greatly in the past 4 years going from \$28.00 per student to only \$0.70 this past year. The district has no line item for library funding. Our school depends on donations from people such as you to enable us to bring our library collection up to date and to continue to provide excellent resources for our students.

**All families** are asked to donate a **minimum of \$15.00** per student to help offset our basic costs. Increased amounts will help us purchase a much needed new photocopier machine for student use and new books to support the curriculum and interests of our students.

All donations to MSJHS Library Media Center Fund are tax deductible. Please check with your employer to see if they have a matching grants program.

Thank you in advance for keeping the MSJHS Library an excellent asset for student education.

Terry Haro
