

# THE UMOJA SCHOLARS PROGRAM

## OHLONE COLLEGE'S AFROCENTRIC LEARNING COMMUNITY

### UMOJA MEANS UNITY

Umoja means "unity" in the Kiswahili language. In unity, we help students succeed and meet their academic, transfer, and career goals through the 3 C's:

- Community: that is consistent, fun and supportive
- Classes: that are transferable and Afrocentric
- Counseling: with care for each student

### WHAT OUR STUDENTS SAY

Tanayshia Price

Miles Carter, Current Umoja Student
