- Wheelchair loan
- Mobility orientations
- Workshops
- Adaptive technology lab
- Personal Development classes

Services are dependent on student disabilities and other services may be approved by a counselor

SAS Website

The screenshot shows the Ohlone College website interface. At the top, the Ohlone College logo is on the left, and a navigation bar contains links for 'Select Language', 'Information For', 'Online Services', 'Quicklinks', 'A - Z Index', 'APPLY', 'VISIT', and 'GIVE'. Below this is a secondary navigation bar with 'About', 'Academics', 'Admissions', 'Student Support', and a search icon. The main content area features a grid of service categories: 'STUDENT SERVICES' (Counseling Services, Special Services, Health Services, Student Life & Activities, Office of Student Services), 'SUPPORT' (Student Accessibility Services, Extended Opportunity Programs and Services, Dreamers (AB540 Students), Foster Youth, Veterans), and 'OTHER SERVICES' (Campus Police Services, Technology Support, Bookstore, Parking Permit & Information). The 'SUPPORT' header and its first item, 'Student Accessibility Services', are circled in red. Below the grid is a banner for an online course: 'January 2-26, 2020: 3 units. 3 weeks. All classes online.' with a 'FIND OUT MORE' button and a play icon. The footer contains two news items: 'Snack and Stay Cafe Opens' and 'Psychology Speaker Series Sheds Light on Language Deprivation'.
