

STUDENT ACCIDENT INSURANCE
School Year 2018-2019

Dear Parent/Guardian:

Fremont Unified School District does not provide insurance for students injured on school property, during school activities, or while participating in athletic events.

There is student/athletic accident insurance available through Pacific Educators Insurance Services which provides insurance coverage for your child. The student accident insurance is offered at a one-time annual payment for the entire school year. The insurance plan does not provide unlimited coverage, but does offer assistance in the event of an injury.

This insurance notice is made in accordance with Education Code sections 49470-49472 and District Board Policy 5143. The district has no specific interest in Pacific Educators Insurance Services or any other insurance company, and enrollment is voluntary.

IMPORTANT: All students participating in interscholastic sports are required by the Education Code and Board Policy to have adequate accident/medical insurance coverage.

Please see the brochure for complete insurance plan details and to purchase student and athletic accident insurance. If you require additional information, please go to the Pacific Educators Insurance Services website at www.peinsurance.com (click on Products, then Student Insurance) or call Pacific Educators, Inc., Student Accident Department at (800) 722-3365 or (714) 639-0962.

Sincerely yours,
